### Weakened Vitality Impoverished Blood

Read what Ayer's Sarsaparilla did for a well-known city missionary, who writes:

"I was for many years a sufferer from boils and other eraptions of a like

nature, caused by the impoverished state of my blood. My appetite was poor and my system a good deal run down. Knowing the value of

# AYER'S Sarsaparilla

by observation of the good it had done to others, I began taking it. My appetite improved almost from the first dose; then my general health improved, and now it is excellent. I feel a hundred per cent. stronger, and I attribute this result to Ayer's Sarsaparilla, which I recommend with all confidence as the best blood medicine ever devised."

As now made, Ayer's Sarsaparilla contains no alcohol. There are many imitation

Sarsaparillas.

Be sure you get "Ayer's."

The communion rail is one of the most attractive features of the chapel,

and was selected with especial care.

Adjoining the chapel is the vestry. The other wing of the building is given over to classrooms. These are all very light and are supplied with ample ventilation. The dormitory for the Sisters is in back of that occupied by

the pupils.

The basement is divided into music practise rooms, a large playroom for wet weather, bathrooms and laundry. There are fifteen bath tubs, in addition

to showers.

All of the sleeping apartments and dormitories are provided with private baths, and every modern convenience has been included in the general equip-

The convent will be presided over by eleven Sisters of the Order of the Sacred Hearts. Sister Constantine will act as principal. There will be accommodations for two hundred pupils, as well as a number of day pupils. Ap-plications have already been received

on a large scale.

This year the Sisters celebrated the fiftieth anniversary of their arrival in Hawaii, and the half century point marks a distinct epoch in their work here. Though the old convent has frequently hear remodeled, the six which quently been remodeled, the site which it occupies is the site of the original chool founded by the Sisters on arrival here. Thus the change to Kai muki is the first move which the Sisters

have made. The Bishop has taken an active in terest in the new convent, and has visited it almost daily. Many of the valuable points incorporated in the building are the results of his suggestions.

Coincident with the termination of this month, the terms of office of the members of the Promotion Committee expire. At that time the Merchants' Association and the Chamber of Commerce will be called upon to name anew the men who are to have charge of the work of boosting Hawaii during the next twelvemonth.

Two of the members of the Promotion Committee are named by the Chamber of Commerce, two are named by the Merchants' Association, and the fifth member is named by the other four. The membership at present is: For the Chamber of Commerce: W.

H. Hoogs and William A. Bowen; for the Merchants' Association: G. Fred Bush and R. H. Trent; member at large: J. L. McLean. Mr. Bowen is chairman. In all probability all of the members of the committee will be reappointed. Their work has been most successful, and the members have labored together with remarkable unanimity. Though the work takes up considerable time, probably all of the present members could agree to serve again.

# MEMBERSHIP CRUSADE BRINGS RESULTS
